## SUPERMATH CONTRACT FOR ADMISSION

### I. TERMS:

1. The SuperMath program is a continuous year round program. SuperMath is a group lesson but progress is on individual level.
2. Each class session will be one hour.
3. There are 48 classes per year for each day of the week. (Refer to the SuperMath Annual Calendar on our web site.)
4. Holidays will be observed on: New Year's (Eve & Day). Thanksgiving Day, and Christmas (Eve & Day).
5. Proficiency/ Advancement Examinations will be held whenever a student is ready. (See Attachment on The SuperMath Program and Advancement)
6. Students who pass the examinations will be given a sticker and a Certificate with extra charge.
7. A SuperMath student ranking list will be issued every month.
8. Students must provide for their own pencils.
9. All absences must be reported as soon as possible. This will allow us to regulate the student's curriculum. (i.e., homework, etc.)
10. Parents will not be permitted to attend with their child during class. There will be a specified date set aside periodically for Open Class in which parents will be allowed to sit through class sessions with their child.
11. Make-up Classes:
  - i. One make-up class will be available with the same instructor in each quarter.
  - ii. 3 consecutive weeks of absences can be exchangeable with a private lesson (\$100 value).  
6 consecutive weeks of absences can be exchanged with a SuperMath Camp (\$200 value).  
There will be no other exchange arrangements permitted except as noted above.

### II. FEES:

1. There will be a non-refundable initial registration fee of one hundred eighty-five dollars (\$185.00). The registration fee must be paid again if the payment is stopped and elects to return to SuperMath.
2. There will be a \$40 yearly membership fee.
3. Fees may be paid on a monthly basis or on a quarterly basis. **ALL PAYMENTS ARE NON-REFUNDABLE.**

- The monthly fees will be one hundred forty dollars (\$140) payable **OR** three hundreds seventy-five dollars (\$375) for 3 months. (Quarterly payment)

Full monthly charges **will be** assessed regardless of the number of sessions he/she attends.(including no sessions attended at all.) Monthly fees will not be pro-rated for classes not attended.

4. Late charges of twenty dollars (\$20.00) **WILL** be assessed if payment is not received **by the 25th of the previous month (for monthly fees) or the 25th of the third month (for quarterly fees) of each quarter.** Each quarter will start in January, April, July or October.
5. Beginning with the second family member of the student, there will be five dollar (\$5) monthly discount towards each additional family member(s). Example, a family has three children. The first student will pay \$140.00. The second child will be charged \$135.00 and the third child will be charged \$135.00).

Monthly Payment		Quarterly Payment
1 <sup>st</sup> child	\$140.00	\$375.00
2 <sup>nd</sup> child	\$135.00	\$360.00
3 <sup>rd</sup> child	\$135.00	\$360.00

6. Fees **DO NOT** include examination fees, special events such as the Annual SuperMath Contest. All US Correspondence Contest or any other non-instructional act. All students **MUST** participate in the Annual SuperMath Contest. All participants receive a trophy. The registration fee is \$30.00.
7. Examination Fees will be assessed as follows:
